| 24073 | Lacquers | EMI, Abbey Road. Three 12" stereo lacquers | s A | £200.00 | Callas, Maria, s | A lacquer dated 25.10.77 of the 5 Verdi arias recorded at her last EMI session in Paris, ii.69, including the cabaletta to "Vola talor..." from "Il Corsaro" and two further lacquers (6 arias), partly from this and partly from the 1964 Verdi Arias sessions, dated 28.10.77 and 30.10.77, clearly part of the exploratory process with a view to new issues following her death the previous month. A few light ticks on the disc dated 28.10.77, but essentially as new and the first disc very sharply focused. Many of these arias remained long unissued. |
